UNDERGROUND NETWORK—MINISTRY HOUSES

What's a Ministry House?

A Ministry House is four to seven young adults who agree to rent a house together and commit to a covenant of Christian life and outreach. The houses will be located in the St. Paul Midway area or around the home churches. The duration of the lease would be 6 months to one year.

Can I live in a Ministry House?

If you're unmarried, between 18 and 25 years old, are working and/or attending school regularly, and follow the beliefs of an Underground Network approved church you meet the requirements.

How do I sign up?

The first step to becoming part of a Ministry House is to fill out an application. Applications are being accepted on an ongoing basis. For more information send an email to:
